## Junior Entrepreneur Programme

Primary 7 pupils are taking part in the 'Junior Entrepreneur Programme'.

The pupils have worked in groups of 3 and have 'pitched' their ideas to the 'Dragons' in school. The Dragons have now made their decision on which idea the children are going to develop. This is very exciting for all the pupils and they have all been working extremely hard as part of their 'team'. Follow the children progress with the programme on the school website/FB page. As soon as, the Design Team and Advertising Team have completed their tasks the pupils will send home details of their product and how to purchase it. Watch this space!!
